

COPYWRITER INTERN

Media Bridge Advertising is looking for a Copywriter intern to work with our Social Team. This is a role with a high potential to move from unpaid intern to full-time employee.

Instead of sitting in a Dilbertian cubicle, you get to work in our cool North Loop office in Minneapolis and enjoy all the free espresso and LaCroix you want—or grab a workout in our in-house gym. You also get free lunch, free parking and agency experience to add to your resume/portfolio.

Media Bridge has been named to the Inc. 5000 list of fastest-growing privately held companies in America three years in a row by embracing our philosophy of Media the Way It Should Be™.
